

Ambassador  
POB October 26, 2019

Thank you for volunteering to help with New Mexico Pageant of Bands today. **YOU** are the friendly face of POB for each of the bands and their staffs. Please stay with your band from the time you meet them at Director's Check-In until they are finished with photography. There will be POB personnel at each of the stops you make with the band who can help you with any questions.

You will meet and greet the bands as they arrive at Director's Check-In. Please introduce yourself to the band director and let them know that you will be with their band through photography if they should have any questions.

Director's Check-In-Courtney from Highland High School

Warm-up-Danielle (POB Secretary), James & Jeanette from Valley High School.

There are 2 warm-up areas, WARM-UP 1 and WARM-UP 2. They are both in the Student Plaza. The Valley reps can help you show the bands where to go. Bands are assigned a half-hour warm up window. They can not enter the warm-up area until their time. The reps are there to help, but also please check your watch/phone. We want to make sure that bands have all of their time. The bands are to receive a 10 minute and 5 minute warning of the end of their warm-up time. For example, if the band's warm-up is scheduled from 9:00-9:30, please tell them 10 minutes at 9:20, and 5 minutes at 9:25. At the 5 minute time, they should be getting ready to leave, as they need to be exiting the warm-up area by 9:30 to head over to the back gate.

The following is what each band has received.

- a. *Please exit the warm up area promptly at your designated time. You will be given a ten (10) minute and five (5) minute warning (Please refer to the enclosed time schedule). You must be leaving the warm-up area and heading to the stadium by the end of your warm-up period to give your band sufficient travel time to the stadium.*

As you travel across the Manzano campus, for safety reasons, please stay out of the parking lot by the stadium and on the sidewalk. Don, Kim or Melanie will tell you when it is safe to cross the street to the stadium by the back gate.

Field-Anne, Denise, Jenney, Patty &/or Tracy from Eldorado High School

When it is your band's turn to perform, you can watch them from the track area. When they finish performing, please join them at the north end of the field to take them up the ramp and over to photography. You must stay on the sidewalk when you reach the top of the ramp. Again for safety, do not allow them to walk in the parking lot until you reach the roped off photography area. Becky or Wanda will give the band directions at photography.

Photography- Becky & Wanda from Cibola High School

Once your band is finished at photography, please check to make sure that all their instruments, extra uniform pieces, etc. that were forgotten are picked up and given to a chaperon or staff member. Except for Eldorado's Band (last band to perform), please tell the director that they are welcome to sit in the stands to watch bands perform. Please thank them for participating in the Pageant of Bands. Eldorado's Band needs to go directly to line up for the awards presentation.

Then you are done with this band. If you are doing another band, please go back to the volunteer check-in table just outside the west gate and see Mary Jo for your next assigned band.

Thank you so much for your help today. It takes many, many, many volunteers to make this competition possible.
